

loss. Sister Miller was a leading member of the Fair Haven church and an exemplary Christian. She was the president of the Sister's Society of Christian Endeavor of her church and will be greatly missed. The funeral took place on Sunday, March 13. Tho the roads were very bad and the weather threatening, yet the church was packed full of friends and sympathetic neighbors. The sermon was preached by the writer. The Lord bless and comfort the bereft family and church.

Lung Trouble and Consumption Can be Cured

An Eminent New York Chemist and Scientist
Makes a Free Offer to Our Readers

The distinguished New York chemist, T. A. Slocum, demonstrating his discovery of a reliable and absolute cure for Consumption (Pulmonary Tuberculosis) and all bronchial, throat, long and chest diseases, stubborn coughs, catarrhal affections, general decline and weakness, loss of flesh, and all conditions of wasting away, will send THREE FREE BOTTLES (all different) of his New Discoveries to any afflicted reader of the BRETHREN EVANGELIST writing for them.

His "New Scientific Treatment" has cured thousands permanently by its timely use, and he considers it a simple professional duty to suffering humanity to donate a trial of his infallible cure.

Science daily develops new wonders, and this great chemist, patiently experimenting for years, has produced results as beneficial to humanity as can be claimed by any modern genius. His assertion that lung troubles and consumption are curable in any climate is proven by "heartfelt letters of gratitude," filed in his American and European laboratories in thousands from those cured in all parts of the world.

Medical experts concede that bronchial, chest and lung troubles lead to Consumption, which, uninterrupted, means speedy and certain death.

Simply write to T. A. Slocum, M. C., 98 Pine street, New York, giving post-office and express address, and the free medicine will be promptly sent. Sufferers should take instant advantage of his generous proposition.
